

Trek Parts

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to offering new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They enjoy providing products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both parts and in technical support would be obtainable. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning equipment functioning and ready everyday is top priority. The company's top of the line technology delivers dependable machine that eventually lessens your cleaning cost. The product, the price and the service all work together to make them the leader in the business.
